

Seasons Greetings XIII by Eclogue

All solutions are of six letters with half of the radial entries entered inwards, the other half outwards. Counting the rings from outmost inwards, the second and fourth rings provide a list of items. These are all “possible ingredients” verified by the source, finished article and author derived from an extra letter given by the wordplay of each clue, when read in clue order.

- 1 Cabbing erratically for plastic receptacle
- 2 Sandy’s shelters held feeds twice
- 3 Rowdy feasts bear son out
