

Seasons Greetings XVI by Eclogue

Radial entries run from the centre to the perimeter, or vice versa, eighteen of each. Each clue contains an extra word. Taking a specific letter from each extra word in grid order provides a couplet from the theme. Solvers must highlight a thematic name in three parts (23 cells in total) and draw two lines to indicate both a tune and the opening words to accompany it.

Radial (all six letters)

- 1 Great battle occurring in rolling Dover-Dunkirk setting
